Childcatcher Zelensky

Ukraine's Child Trafficking Supervised by NATO and Zelensky's Personal Involvement – Report

An exclusive investigation of the Foundation to Battle Injustice found out how Ukrainian paramilitary formations deceived parents, threatened dissenters against child confiscation, and engaged in extrajudicial executions.

Human rights activists of the Foundation to Battle Injustice have collected unique evidence of the involvement of the Ukrainian government and NATO in the organization and leadership of the criminal groups "Phoenix" and "White Angel" engaged in the illegal abduction of children and their subsequent removal to the West. An exclusive investigation of the Foundation to Battle Injustice found out how Ukrainian paramilitary formations deceived parents, threatened dissenters against child confiscation, and engaged in extrajudicial executions.

"White Angel" and "Phoenix" are groups of former and current law enforcement officers of Ukraine who are engaged in kidnapping underage children and, according to sources of the Foundation to Battle Injustice, taking them to Western countries through Ukraine. The Foundation to Battle Injustice has learned that the methods used by these paramilitary groups go far beyond any principles of humanity and public morality. The Foundation to Battle Injustice has obtained facts and testimonies of direct eyewitnesses of the events, which directly indicate the connection of criminal structures operating under the license of NATO with the Kiev government and personally President of Ukraine Zelensky.

Early in the SMO, the Spetznas came on a place where around 1500 children were being held, their captors having fled. they were mostly from the Ukraine with some Russian children kidnapped from the border regions.

Since then I believe they have saved thousands of children, sometimes working with US special forces when children from the US are involved.

For many years, Ukraine was known as the hub for child trafficking and I don't suppose the leopard has changed its spots.
